

| PARTS LIST |     |   |                |
|------------|-----|---|----------------|
| ITEM       | QTY | PART NAME   | DESCRIPTION    |
| 1          | 3   | 4" diameter PVC 90 degree elbow - regular             | Schedule 40    |
| 2          | 3   | 4" diameter PVC 90 degree elbow - street              | Schedule 40    |
| 3          | 1   | 4" diameter PVC 45 degree elbow - street              | Schedule 40    |
| 4          | 1   | 4" diameter PVC Wye Tee - street                      | Schedule 40    |
| 5          | 2   | 4" diameter 3' PVC pipe                               | Schedule 20    |
| 6          | 1   | 4" diameter 7' 6" PVC pipe                            | Schedule 20    |
| 7          | 1   | 4" diameter 5' PVC pipe                               | Schedule 20    |
| 8          | 1   | 4" diameter 12' PVC pipe                              | Schedule 20    |
| 9          | 1   | 52'-5" of 4" diameter PVC pipe cut in half lengthwise | Schedule 20    |
| 10         | 2   | 4" diameter PVC end cap                               |                |
| 11         | 1   | Galvanized steel strap                                | .05" Thickness |

NOTES

1. Length of items 5 and 6 may vary depending on the height of tank and stand which the system leads to.  
2. Length of part 9 will vary depending on length of roof.  
3. Length of pipe does not include length existing within the fittings. Allow 1" extra length on each end of the pipe.  
4. All dimensions for fittings retrieved from standard dimensions of Charlotte Pipe and Foundry company
